

Poster Number

Research Presentations (Presenter: **Bolded**)

1. **Adamiec, R.**, Sisson, SB., Campbell, JE., Anderson, M., Horm, D. & Ladner, J. *Assessing the micronutrient intake of young children in child care centers*
2. **Brock, A.**, Condit, B., Stroup, M., Qualls, C., Roberts, K., & DeGrace, BW. *Families with children with autism: An exploration of family health*
3. **Crowder, JS.**, Sisson, SB., DeGrace, BW., Ramey, E., & Arnold, S. *Family decision making for placement of television in the bedrooms of children*
4. **Espinoza-Varas, B.**, & Kagitha, M. *Probing impulsivity with conflicting information*
5. **Wisniewski, AB.**, Hullmann, S., and Mullins, LL. *Psychosocial adjustment of children with disorders of sex development*
6. **Liao, F.** & Jan, Y-K. *Effects of local cooling on nonlinear dynamics of skin blood flow response to pressure loading*
7. **Manogue, M.**, Thompson, D., & Landers, P. *Reliability, validity, sensitivity and usefulness testing of dietetic specific monitoring and evaluation indicators and measurement scales*
8. **May, KB.**, Frampton, AM., Campbell, JE., Turner, P., & Sisson, SB. *An assessment of child care center staff nutrition education on staff food behaviors*
9. **Neel, S.**, Anderson, A., Frampton, A., & Hull, H. *Glycemic load of the maternal diet in relation to infant body composition (Withdrawn)*
10. **Nesbit, C.**, Kolobe, THA., Sisson, SB., Arnold, S., & Anderson, M. *The influence of environmental characteristics on adolescent obesity*

11. **Rong, D.**, Lung, C., Burns, S., & Yan, Y-K. *Biomechanical analysis of the risks of diabetic foot ulcers*
12. **Tohm, F.**, John, AB., Burk, P., & Earley, D. *Survey of factors related to loss-to-follow-up in the Oklahoma Universal Newborn Hearing Screening Program*
13. **Woods, W.** & John, AW. *Test-retest reliability of the screening gaps-in-noise test in adults with normal hearing sensitivity*
14. **Yaroslavit, S.**, Arnold, S., Hamilton, T., Sloop, J., & DeGrace, EW. *A study of family health in Chareidi second and third generation survivors of the Holocaust*

CLINICAL SCHOLARSHIP/CASE PRESENTATIONS—OKC

15. **Knight, A.**, Dionne, CP., & Ferretti, MJ. *Acute care physical therapy management of a patient with an incomplete c5 spinal cord injury: A case study*
16. **Fenley, M.** & Ciro, C. *Picture schedules create smoother transitions for children with autism spectrum disorder: A critically appraised topic*
17. **Roberts, K.** & Ciro, C. *Task-specific training may improve cooking in people with Alzheimer's disease: A critically appraised topic*

CLINICAL SCHOLARSHIP/CASE PRESENTATIONS—TULSA

(Schusterman Perkins Auditorium Entrance Rm. 115)

1. **McMurrian, K.**, Bagley, J., & Berry, J. *A case report of a rare cystic nephroma of the kidney*
