**FOOTNOTES:**

- 1** is required if applicant has not completed a Bachelor's degree. It is recommended that the applicant take an upper level/division (3000 or 4000 level) non-western culture, western civilization & culture, or understanding art forms class. By taking an upper division course in one of those categories, two prerequisites can be completed with that one class.
- 2** is not required for applicants that have an Associate of Science or Associate of Arts degree from an Oklahoma college. Not required for applicants that have a Bachelor's degree. Foreign Language 1<sup>st</sup> and 2<sup>nd</sup> course are waived for applicants who completed two years in the same language in high school. Otherwise, applicant must complete two courses in the same foreign language in college.
- 3** is not required if applicant has an Associate of Science or Associate of Arts degree or higher. *This prerequisite is not listed on the OU Transfer Equivalency Database.* To satisfy prerequisite, complete a computer skills course which includes Microsoft Office, Excel, & PowerPoint, pass an institution assessment test, or substitute one year of high school computer courses (excluding keyboarding).
- 4** can be substituted with Biology I with lab (4 hours minimum) PLUS Biology II with lab (4 hours minimum).
- 5** It is recommended that the applicant take an equivalent course to OU course number PSY 2003. If there is not an equivalent course at your college/university for PSY 2003, it is acceptable to take an equivalent course to OU's course numbers PSY 2113, COMM 2513, or ECON 2843.

***Varies = there are multiple courses that are equivalent for this prerequisite. Please check the Transfer Equivalency Database link below. To search for transferrable courses, [click here](#).***
