* 2	<i>varies</i>	Understanding Art Forms (3 hrs)					
*	PHYS 2414	Physics I for Life Science Majors (4-5 hrs)					

FOOTNOTES:

- **1** is required if applicant has not completed a Bachelor's degree. It is recommended that the applicant take an upper level/division (3000 or 4000 level) non-western culture, western civilization & culture, or understanding art forms class. By taking an upper division course in one of those categories, two prerequisites can be completed with that one class.
- **2** is not required for applicants that have an Associate of Science or Associate of Arts degree from an Oklahoma college. Not required for applicants that have a Bachelor's degree. Foreign Language 1st and 2nd course are waived for applicants who completed two years in the same language in high school. Otherwise, applicant must complete two courses in the same foreign language in college.
- **+** Beginning with 2017 admissions, Foundation Courses are required to be completed **before** the application deadline (March 1st).
- * must be completed prior to beginning the program in the summer if admitted.

Varies = there are multiple courses that are equivalent for this prerequisite. If you are attending OU in Norman for these courses, [click here](#) for equivalent courses; if attending another institution, please check the Transfer Equivalency Database link below.
