1	varies	Upper Level General Education Course (3 hrs)					
2	HIST 1483 OR 1493	U. S. History (3 hrs)					
2	varies	Western Civilization & Culture (3 hrs)					

**FOOTNOTES:**

- 1 is required if applicant has not completed a Bachelor's degree. It is recommended that the applicant take an upper level/division (3000 or 4000 level) non-western culture, western civilization & culture, or understanding art forms class. By taking an upper division course in one of those categories, two prerequisites can be completed with that one class.
- 2 is not required for applicants that have an Associate of Science or Associate of Arts degree from an Oklahoma college. Not required for applicants that have a Bachelor's degree. Foreign Language 1<sup>st</sup> and 2<sup>nd</sup> course are waived for applicants who completed two years in the same language in high school.
- 3 is not required if applicant has an Associate of Science or Associate of Arts degree or higher. *This prerequisite is not listed on the OU Transfer Equivalency Database.* To satisfy prerequisite, complete a computer skills course which includes Microsoft Office, Excel, & PowerPoint, pass an institution assessment test, or substitute one year of high school computer courses (excluding keyboarding).
- 4 natural science electives must be additional hard-core science courses (Biol, Chem, Micro, Phys, Zoo). Even though the OU Norman Transfer Equivalencies Database has courses listed as acceptable for Natural Science with Lab that are the following types of courses, we will not accept them for Natural Science Electives: nutrition, botany, astronomy, physical science, earth science, ecology, evolution, etc. We will however accept Physiology of Exercise, Kinesiology, and Human Movement towards the Natural Science Electives but they will not calculate into your science gpa for admission consideration.
- 5 is required if applicant has not completed a Bachelor's degree. Ten hours of upper division courses are required and can be taken in any chosen subject area. The three hour Upper Level General Education Prerequisite can be counted towards those ten hours.
- 6 It is recommended that the applicant take an equivalent course to OU course number PSY 2003. If there is not an equivalent course at your college/university for PSY 2003, it is acceptable to take an equivalent course to OU's course numbers PSY 2113, COMM 2513, or ECON 2843.

**ADDITIONAL INFORMATION:**

- Students attending a two-year college may use their transfer credit to meet certain lower-division course requirements only. The maximum number of hours accepted from a Junior College(s) is 60. Note: **NOTE: Effective for 2019 admission, a bachelor's degree must be earned prior to enrollment in the program.**

**Varies = there are multiple courses that are equivalent for this prerequisite. If you are attending OU in Norman for these courses, [click here](#) for equivalent courses. If attending another institution, please check the [Transfer Equivalency Database](#) for equivalent courses.**
