INSTRUCTIONS

- By paying for and submitting to student drug testing at National Occupational Health Services, you authorize The Compliance Resource Group, Inc. to provide a copy of your drug test results to Clinical Agencies as dictated by the OU Health Sciences Center (OUHSC) and OUHSC.
- Please have a photo ID ready to present when you arrive for your collection.
- You will be providing a urine sample for a drug test – please drink enough fluids to ensure you can provide a sample when you arrive for your drug screen collection.
- To avoid a dilute sample, it is recommended that you limit fluid intake to 24 oz in the 2 hour period prior to submitting your sample.
- The cost of the drug screen is \$45 and must be paid in cash prior to taking the test – NO CHECKS OR CREDIT CARDS
- We do not need a list of Rx medications at this time. If something shows up on your test you will be contacted by a physician to discuss Rx medications prior to your test results being reported.
