December 4, 2020

Dear Human Resources Director or Recruiter:

The University of Oklahoma College of Allied Health cordially invites you to attend the 2021 Allied Health Virtual Career Fair (https://alliedhealth.ouhsc.edu/Students/Career-Fair) on Thursday, January 21st, 2021 from 4:00 p.m. - 6:00 p.m. via Zoom. We expect that approximately 350 students in audiology, communication sciences and disorders, nuclear medicine, nutritional sciences, occupational therapy, physical therapy, radiography, radiation therapy, sonography, and speech-language pathology will attend the Career Fair. Please register at no cost for the 2021 Allied Health Virtual Career Fair online at https://epay.ouhsc.edu/C22824_ustores/web/store_main.jsp?STOREID=49&SINGLESTORE=true and watch for updates on what to expect for the 2021 Allied Health Virtual Career Fair.

As you may know, the College’s Health Care Employers Scholarship program is funded by the generous support of the health care employers participating in the annual OUHSC College of Allied Health Career Fair. The scholarship program is designed to recognize continuing students pursuing professions in one of the programs of the college and provides employers with unique insight from students on desired qualities of a potential employer. The meaningful scholarships are awarded in November to up to five College of Allied Health students. Since there is no registration fee for the 2021 Allied Health Virtual Career Fair, we would like to give you a link to the OU Foundation where you can donate to this important scholarship. Please go to https://bit.ly/CAHCareerFairScholarship to make your scholarship donation for the College of Allied Health’s 2021 Health Care Employers Scholarship.

We encourage you to share this information with others in your network that employ allied health professionals, as well as your marketing and human resources department.

Our 2020 Career Fair was a tremendous success; and although COVID-19 has shifted our plans, we look forward to your participation in the 2021 Allied Health Virtual Career Fair!

Sincerely,

Susan B. Tucker, MPH, OTR/L
Assistant Dean for Academic & Student Affairs
Cheryl Walk
Student Program Coordinator II
