- **Tulsa - Kelsi Clawson**

- Kelsi-Clawson@ouhsc.edu (918-237-8520)
- Thank you to everyone who made the Netflix movie party possible!
- Looking for COVID safe ideas for an end of year celebration. I want to get some ideas from everyone on what could be possible and what is not an option:
 - Last year CAHSA did not have one due to COVID (so I have not experienced an event like this), but I have heard CAHSA usually has one at the end of each year.
 - I was thinking something like a meal pre-order form that can be picked up at scheduled times.
 - Maybe from Bill and Ruth's or having a food truck (I heard they've done a Brownie's truck before) come out?
 - Or we could do popcorn bags (for the movie option) to make things a little easier.
 - I was also thinking of something like a movie on the lawn with a big projector screen (in front of the main building - where soccer goals are) so everyone can bring a lawn chair, socially distance, and enjoy their food.
 - Other ideas we could do similar to this? I'm not sure about movie rights?
 - Maybe we could partner with the 41st and Yale AMC for the movie showing/rights issue?
 - Maybe a MarioCart tournament (socially distanced with masks and sanitization of Wii remotes between each user) with sign ups ahead of time? Can be a team event or individual event.
 - Maybe a Corn Hole tournament? Have teams participating supply the boards with frequent sanitization of boards and all who are playing wearing gloves and masks so as to not directly touch anything (still socially distanced).
 - Maybe a little of everything? We would need volunteers for different stations, etc. but I think we would not have a problem with that.
 - I really think a big event like this would be really nice for the morale of everyone. Keeping safe distances and sanitization frequent, I

would like to make SOMETHING happen, even if not one of these ideas!

- Again, I want to say **thank you to the faculty** that helps keep everything going! Thank you all for being patient with us as we learn and work through trying to make CAHSA great for everyone during COVID!
Special shoutout and thank you to Cheryl Walk and Jayden Sarabia, you two have been amazing this year!
