Closed Meeting - 9/26/18

Start time: 12:07

A. Welcome

B. President - Siera Freeman (siera-freeman@ouhsc.edu)

a. Locked Door Policy

- i. This policy was implemented and created by students and their concerns for safety; has been a year long process
- ii. Some questions/concerns I got from students:
 1. Doors that are unlocked do not re-lock quickly enough to prevent someone from getting in behind you
 - a. It has been timed and only takes 7 seconds to lock again
 2. If the power goes out due to bad weather, do the machines automatically lock or unlock all of the doors
 - a. The doors will remain automatically locked in case of a power outage
 3. The inconvenience of having to have our ID badges on us at all times...
 - a. We are preparing to become medical professionals and in a clinical setting you will need your badge to swipe into every door and access stage.
 - b. Technically it is also campus policy that we have our ID badges on us at all times
 4. People specifically targeting this building/population will most likely have a card to have access to the classrooms anyway
 - a. It's impossible to think of every possible scenario of who a potential active shooter or other person may be
 5. Some ID badges haven't been working to unlock doors
 - a. This policy has only been in place 3 weeks so there will be some kinks to workout
 - b. If this happens to you email Cynthia-Clubb@ouhsc.edu with your ID number and the room number that you cannot unlock
