

Interdisciplinary Student Council

The core mission of ISC is to empower students to improve and advance interdisciplinary education at OUHSC.

Goals of the ISC:

- Provide insight from and advocate for the student body of each college
- Promote ID/IPE within each college and throughout campus
- Provide an opportunity for students to create sustainable campus-wide ID/IPE programs
- Grow, improve, and oversee existing ID/IPE initiatives

Have ideas about interdisciplinary student programming? Send me an email!
