The high school early admission option for the nuclear medicine, radiation therapy, radiography, and sonography program at the University of Oklahoma Health Sciences Center was created to offer outstanding prospective students the opportunity to secure a position in one of the Medical Imaging and Radiation Sciences programs prior to graduating from high school.

<p>Admission Requirements – High School Early Admission</p> <p>To be considered for admission, an applicant must:</p> <ul style="list-style-type: none"> • be in good standing with the high school currently attending; • have a minimum grade point average of 3.75 on a 4.0 scale for all high school work attempted; • have completed at least <u>3</u> high school science credits with grades of B or better; • complete and document an interview of a Supervisor in a hospital in the area of interest; • have scored at least a 24 on the American Collegiate Testing (ACT) or equivalent SAT-I score of 1090; and • <i>complete a minimum of 24 hours of volunteer experience in a health care setting no later than August 1st of the following year. (It is recommended to complete the volunteer experience prior to the application deadline if possible but not required.)</i>
<p>Application Procedure – High School Early Admission</p> <ol style="list-style-type: none"> 1. Applicants must submit the following by December 1 of their senior year: <ul style="list-style-type: none"> • a completed University of Oklahoma Health Sciences Center online application for Admission; • official transcripts from all high schools attended; • completed interview of a Supervisor in a hospital in the area of interest; • ACT/SAT-I Scores; and • a \$50 non-refundable application fee. 2. The applicant will receive an acceptance or denial letter during mid-January of the applicant's senior year in high school. 3. The applicant must accept the position in writing by March 1st of their senior year in high school.
<p>Requirements if Conditionally Admitted</p> <p>Applicant must complete the following after acceptance into the program:</p> <ol style="list-style-type: none"> 1. documentation of a minimum of 24 hours of volunteer experience in the health care setting by August 1st after high school graduation; and 2. attend the College of Allied Health Open House in November and have attendance verified by a Medical Imaging and Radiation Sciences Faculty member.

Admission Contingency:

A student admitted to the program must satisfy all the admission requirements before beginning the program and must maintain at least a 3.25 cumulative grade point average and a 3.25 science grade point average on a 4.0 scale. Sixty-four (64) semester hours to include the prerequisites must be completed within 2 years after high school graduation but no later than the end of May the year the student enters the program. Transcripts of all classes taken are required to be submitted at the end of each semester. Contact the College of Allied Health Office of Academic and Student Services by email at alliedhealth-info@ouhsc.edu or (405) 271-6588 with advisement questions. Should a student not fulfill the requirements, the early admission is forfeited and the student may apply through the regular admission process.
