

College of Allied Health Student Association (CAHSA)
October Closed Meeting – Wednesday, October 26, 2016
Start time: 12:10 p.m.

I. Welcome – Will Warmka, President

II. Upcoming Events/ Opportunities

a. Allied Health Week: November 7-11. Ideas from last year.

i. **Penny War**: Each program (OT, PT, Speech, Nutrition, MIRS, etc) would have a jar and collect change throughout the week. Then on Friday we could say which group raised the most money and we could donate it to a local non-profit (maybe one in OKC and one in Tulsa). It could be a way to have friendly competition among the programs and raise funds for a good cause.

Where the money will go: TBA

Holiday head start party is a possibility

ii. **Grab-and-go coffee breakfast**: Having something similar to Welcome Week grab and go breakfast (coffee/tea and pastries or something) with a type of banner/flyer up that could talk about the free breakfast and also about all the speakers throughout the week and maybe like fun facts about each department/program

iii. **Why do you love AH/ your profession**: little cut-outs or something where people could write down what they are thankful for or love about their professions and we could hang them up there in the atrium kind of on that wall with the elevator and =a similar place in Tulsa to do it. And then maybe we can get the AH social media accounts to Tweet/ Instagram a few each day in promotion? Or maybe the newsletter?

iv. **Run** Plan it now for next year

Possibly the running club could put it on: Chelsea Smith volunteered to coordinate for a possibly for next year.

III. Blood Drive
