Clinical education for this semester is taken under MIRS 3460 Clinical Radiography. Unless on a special schedule, students are enrolled in 2 clinical credit hour for this semester, which is equivalent to 12 contact hours per week. Weekly discussion on Wednesdays 10:00 – 11:20 substitutes for 1.5 hours of clinical education contact. Your Clinical Coordinator will provide a clinical rotation assignment schedule. Additional clinical contact hours may be necessary if inadequate progress is evident.
