

Questions about what software you should have for a successful semester.....

Please make sure your computer has the following components:

1. **Desire2Learn course management software:** <https://learn.ouhsc.edu/>

Click on the “Test your Browser” (located right under the login) this test will check all required components and optional components for your computer. Or visit this link for a direct testing of your browser

<https://learn.ouhsc.edu/d2l/systemCheck>

Recommended browser for D2L is Firefox and/or Chrome

<http://www.mozilla.org/en-US/firefox/new/>

<https://www.google.com/chrome/browser/desktop/index.html>

2. **The latest version of Java**

Download latest version: <http://www.java.com/en/download/index.jsp>

3. **VLC Player** - <http://www.videolan.org/vlc/>

4. **Adobe PDF Reader**

To review PDF documents <http://get.adobe.com/reader/>

5. **Microsoft Office 2016** (PC or Mac) – This software is completely free. <https://it.ouhsc.edu/msoftware/>

6. **LockDown Browser for exams**

Link can be found at the top of D2L (make sure you are logged into system)

Please make sure the application is working prior to exams.

Updates for lockdown browser sometimes are pushed automatically. If prompted please update!

**If you need assistance installing or have any other issues,
please visit office 2073 (Gaylon), 2071 (Derek) or 2053 (Pam & Gina).**
