Clinical education for this semester is taken under MIRS 4860 Advanced Clinical Sonography in one section (1 credit hour). Due to the COVID-19 Pandemic, clinical Rotations schedules may be disrupted. In addition, there is the expectation senior students may also be completing make-up time from incomplete 2020 Spring Semester of MIRS 3860 (80 clock hours). Each clinical credit hour for MIRS 4860 is equivalent to 96 clock hours of clinical rotations, scanning labs and discussion.

Weekly clinical discussion substitutes for 1-2 hours of clinical education contact per week.
