

Current Student CPR Certification Renewal

It is required that you complete the **Basic Life Support (BLS) – Health Care Provider Level CPR course** through the American Heart Association **every two years** while enrolled in an OU College of Allied Health program. Please note that **no** other CPR course is acceptable for admission to the College of Allied Health. ***THE BLS HEALTH CARE PROVIDER LEVEL CPR COURSE MUST BE TAKEN WITH THE AMERICAN HEART ASSOCIATION. There are no exceptions.***

Please register for the course as soon as possible. The deadline to have the CPR course completed and uploaded to your 'Returning Student Checklist' is prior to the expiration of your last CPR certification. You will not be allowed to attend clinic otherwise. Upload a copy of the FRONT AND BACK of your BLS Healthcare Provider CPR card to your OUHSC student self-service account at www.ouhsc.edu/selfservice.aspx.

There are three ways to register for this course:

1. The College of Allied Health offers CPR classes on the Oklahoma City campus. Space is limited. [Click here](#) to see dates and times available. If there are not any classes available to meet your schedule, please contact Leslee Smith at leslee-smith@ouhsc.edu or (405) 271-6477.
2. The University of Oklahoma Norman campus offers CPR classes. [Click here](#) for more information. If you have questions, please contact Malinda Williams with the OU Fitness and Recreation department at (405) 325-1358 or by email at mdwilliams@ou.edu.
3. The American Heart Association has a list of CPR classes available on their website. [Click here](#) for more information. If you have questions, you may contact the American Heart Association by telephone at (405) 942-2444 in Oklahoma City or (918) 712-4000 in Tulsa.

Please call or email your departmental contact with any questions:

- Communication Sciences & Disorders – (405) 271-4214; pat-vinson@ouhsc.edu
