## Aphasia Support and Communication Group

**Aphasia** is an impairment that can affect your ability to speak, understand what is said, and your ability to read or write. It most commonly occurs from a stroke, but may also occur with head trauma, brain tumors, or infections.

This support group is for persons that have aphasia and supporters. It is a great place for information, motivation, and socialization. We meet the **first Thursday** of each month at **8:30 a.m.** **AND** the **third Thursday** at 6 pm. Due to the current health concerns over COVID-19 we will be meeting over Zoom. To join this meeting, download Zoom- click [JOIN](#) – enter the meeting ID **540 769 3545** – enter passcode **xAphasia**. If you are joining from your phone the passcode would be **16545402**.
