4:00 - 4:50					

- Students WILL NEED to wear scrubs or a lab coat during the lab (no required color/style, student's discretion).
 - Students MUST wear shoes that cover their toes.
- Students MUST wear protective face masks and shields at all times when in the lab to protect self and others. Face shields will be provided to you.
- Students DO NOT need to by any dissection equipment. All dissection equipment will be provided.
 - Students will need to buy their own latex gloves. A few pairs will be provided during the first week. You will be responsible for your gloves moving forward.

Final Exam Monday, August 1, 2022
