DEPARTMENT OF MEDICAL IMAGING & RADIATION SCIENCES RADIOGRAPHY CURRICULUM

Curriculum Sequence 2025-2027

THIRD YEAR

<u>First Semester - Summer</u> AHS 3415 MIRS 3111	Clinical Anatomy Medical/Professional Orientation	Hours 5 <u>1</u> 6
Second Semester - Fall AHS 3451 AHS 4433 MIRS 3133 MIRS 3152 MIRS 3193 MIRS 3460	Medical Ethics and Law Pathology Radiographic Imaging I Patient Care and Management Radiologic Physics & Radiation Protection Clinical Radiography	1 3 3 2 3 2 14
Third Semester - Spring AHS 4571 MIRS 3172 MIRS 3232 MIRS 3233 MIRS 3213 MIRS 3460 MIRS 4332	Intro to Research Methods in Allied Health Image Processing & Quality Radiographic Imaging II Radiographic Principles/Exposure & Instrumentation Radiographic Image Critique I Clinical Radiography Radiobiology	1 2 2 3 3 3 2 16
FOURTH YEAR		
Forth Semester – Summer MIRS 4231 MIRS 4193 MIRS 4460	Fundamentals of Radiographic Physics Advanced Radiographic Imaging & Critique Advanced Clinical Radiography & Capstone	1 3 <u>2</u> 6
Fifth Semester – Fall MIRS 4173 MIRS 4143 MIRS 4213 MIRS 4272 MIRS 4460 MIRS 4232	Principles of Computed Tomography Principles of Magnetic Resonance Imaging (Selective) Principles of Vascular Imaging (Selective) Correlative Imaging Advanced Clinical Radiography & Capstone Advanced Radiographic Physics	3 3* 3* 2 4 2 14 (17)
Sixth Semester - Spring AHS	Healthcare Management & Law Integration of Radiography Concepts PACS Administration (Selective) Principles of Mammography (Selective) Advanced Clinical Radiography & Capstone Advanced Clinical Radiography & Capstone Sectional Anatomy & Pathology Interdisciplinary Leadership in Healthcare	2 2 2* 2* 3 1 2 3* 12 (17)
