

CPR Certification

It is required that you complete the **Basic Life Support (BLS) – Health Care Provider Level CPR course** through the American Heart Association prior to beginning our program. Please note that **no** other CPR course is acceptable for admission to the College of Allied Health. **THE BLS HEALTH CARE PROVIDER LEVEL CPR COURSE MUST BE TAKEN WITH THE AMERICAN HEART ASSOCIATION. There are no exceptions.**

Please register for the course as soon as possible. The deadline to have the CPR course completed and submitted is one week before classes begin. You will not be allowed to begin classes until you have completed this important responsibility of a developing health care professional.

There are two ways to register for this course:

1. The University of Oklahoma Norman campus offers CPR classes. [Click here](#) for more information. If you have questions, please contact OU Fitness and Recreation department at (405) 325-3053 or by email at fitrec@ou.edu.
2. The American Heart Association has a list of CPR classes available on their website. [Click here](#) for more information. If you have questions, you may contact the American Heart Association by telephone at (405) 415-3030 in Oklahoma City or (918) 877-8359 in Tulsa.

Please call the Office of Academic and Student Services at (405) 271-6588 or email us at alliedhealth-info@ouhsc.edu if you have any questions.
