RESPONSIBILITIES:

Supports the growth of the Department of Rehabilitation Sciences through teaching, service, research/ scholarship, and community engagement activities.

COLLEGE OF ALLIED HEALTH

The UNIVERSITY of OKLAHOMA

Consecutive Term, Assistant Professor or Above

The University of Oklahoma Health Science Center (OUHSC) College of Allied Health Department of Rehabilitation Sciences at the OU Health Sciences Center Campus in Oklahoma City (OKC), invites occupational therapy applicants with an earned post-professional doctorate to apply for a 12 month, full-time, consecutive-term, faculty appointment in our innovative and dynamic Occupational Therapy program.

The OUHSC Occupational Therapy program has a 48-year history of attracting students from around the country through excellence in education and community-focused research. We are currently transitioning to an OTD program. Our program at the OUHSC campus enjoys the richness of collaboration with multiple disciplines across both Tulsa and Oklahoma City campuses.

The position on the OKC campus has collaborative opportunities with six colleges and professions including Nursing, Pharmacy, Dentistry, Public Health, and Medicine. OUHSC hosts research and clinical centers of excellence, including the Harold Hamm Diabetes Center, the Stephenson Cancer Center, and the Reynolds Oklahoma Center on Aging. The Department of Rehabilitation Sciences offers interprofessional curricula in both professional and post-professional programs. Oklahoma City offer all of the culture, cuisine, attractions, and amenities you would expect in a progressive city!

The University is an Equal Opportunity institution. Individuals with disabilities and protected veterans are encouraged to apply.
