Required Books:

Richard Drake, PhD	Gray's Anatomy for Students	Elsevier 4 th Edition, 2019	9780323393041
Alan J. Detton, PhD	Grant's Dissector	Lippincott, Williams, & Wilkins 16 th Edition, 2016	9781496313805
Frank Netter	Netter's atlas of Human Anatomy (digital or hardcopy)	Elsevier 7 th Edition, 2018	9780323393225

- Students WILL NEED to wear scrubs or a lab coat during the lab (no required color/style, student's discretion).
- Students MUST wear shoes that cover their toes.

Students MUST wear protective face masks and shields at all times when in the lab to protect self and others. Face shields will be provided to you.

- Students DO NOT need to buy any dissection equipment. All dissection equipment will be provided.
- Students will need to buy their own rubber gloves. A few pairs will be provided during the first week. You will be responsible for your gloves moving forward.
