*data is estimated based on student graduation trajectory

Graduation Rates represent the students completing the program. Students who did not complete the program due to academic reasons; voluntary withdraw; medical reasons; etc. are considered attrition.

Job Placement Rates are reported as defined by programmatic accreditation standards within a 6 to 12-month time post-graduation. This data indicates graduates who entered a job within the profession. Numbers in parentheses ( ) are graduates who chose to attend further education (such as graduate school) and number in brackets { } are graduates who are not actively seeking employment outside of the Oklahoma City metro area.
