Clinical education for this semester is taken under MIRS 4560 Advanced Clinical Nuclear Medicine Technology. Unless on a special schedule, students are enrolled in 3 clinical credit hours for this semester, which is equivalent to 36 contact hours per week. Weekly clinical discussions on Tuesdays 1:00 - 2:50 substitutes for 2 hours of clinical education contact. A clinical rotation assignment schedule will be provide by your Clinical coordinator. Additional clinical contact hour may be necessary if inadequate progress is evident.
