Clinical education for this semester is take under MIRS 4460 Clinical Radiography. Students are enrolled in 2 clinal credit hours for the semester, which is equivalent to 24 contact hours per week. Clinical discussion meets every Thursday 11:00-12:20 and substitutes for 1.5 hours of clinical education contact. Evening rotations are an essential curricular component for emergency and trauma radiography and substitutes for day shift hours of MIRS 4460. A clinical rotation assignment schedule will be provided by your Clinical Coordinator. Additional clinical contact hours may be necessary if inadequate progress is evident.
