Clinical education for this semester is taken under MIRS 4860 Clinical Sonography. Unless on a special schedule, students are enrolled in 3 clinical credit hours for this semester, which is equivalent to 36 contact hours per week. Biweekly clinical discussion Wednesday 1:00 – 4:50 pm substitutes for 4 hours of clinical education contact on those dates. A clinical rotation assignment schedule will be provided by your Clinical Coordinator. Additional clinical contact hours may be necessary if inadequate progress is evident.
