

# WE'RE HIRING

## **CLINICAL ASSISTANT PROFESSOR Speech–Language Pathology**

**Full-time, limited-term appointment for a 12-month faculty position within the Department of Communication Sciences and Disorders (CSD) in the College of Allied Health.**

### **REQUIRED QUALIFICATIONS:**

Applicants must possess, or be eligible for, Speech-language Pathology licensure in Oklahoma. Applicants must hold the Certificate of Clinical Competence in Speech-language Pathology (CCC–SLP) and have completed at least one year of successful work experience after earning the CCC–SLP. In addition, applicants must have completed at least two (2) hours of professional development in clinical instruction/supervision. Applicants should possess excellent communication, team building, problem-solving, and leadership skills.

### **PREFERRED QUALIFICATIONS:**

Experience with pediatric diagnostics and treatment, and previous supervision experience.

### **RESPONSIBILITIES:**

The primary responsibilities of this position include, but are not limited to, the following:

- Clinical supervision of student interns in the Speech Language Pathology graduate program,
- Continuous direct patient care within the John W. Keys Speech and Hearing Center,
- instruction of didactic coursework to undergraduate and professional students, and
- participation in the academic missions of the department, college, and university.

This is primarily a clinical position with service and teaching responsibilities appropriate to the applicant's experience and expertise.

### **HOW TO APPLY:**

Applicants should apply online at:

### **UNIVERSITY AND PROGRAM INFORMATION:**

At the University of Oklahoma Health Sciences, you will have the opportunity to work alongside world-renowned faculty in state-of-the-art facilities at one of only four comprehensive academic health centers in the United States. Our campus, located in the heart of Oklahoma City, offers a vibrant, collaborative environment where innovation and creativity thrive. With seven academic Colleges and several specialized centers, including the Stephenson Cancer Center and the Harold Hamm Diabetes Center, OUHSC is leading the way in health promotion for Oklahoma and beyond. More information is available at <https://ouhsc.edu/About>.

The Department of CSD is one of five academic departments within the College of Allied Health at OUHSC. It is staffed by 14 full-time faculty members and offers professional degree programs in speech-language pathology (Master of Arts) and in audiology (Doctor of Audiology) as well as the pre-professional Bachelor's degree. Within the college's Allied Health Clinics, the John W. Keys Speech and Hearing Center is administered by the Department of CSD and serves as an important research and clinical training site for students in the department's academic programs. To learn more about clinical programs, please visit our website at <https://alliedhealth.ouhsc.edu/Keys-Clinic>.

Oklahoma City (OKC) is a beautiful, friendly, and vibrant metropolitan community with a metro area population surpassing 1 million. To learn more about OKC and its surrounding communities, visit the Greater OKC Chamber of Commerce website at <https://www.okcchamber.com>

The University of Oklahoma Health Sciences Center is an equal opportunity employer that, in compliance with all applicable federal and state laws and regulations, does not discriminate on the basis of race, color, national origin, sex, age, religion, disability, political beliefs, or status as a veteran in any of its policies, practices, or procedures. This includes but is not limited to admissions, employment, financial aid, and educational services.
