

WE'RE HIRING

ASSISTANT PROFESSOR **Department of Medical Imaging &** **Radiation Sciences**

Full-time, consecutive-term appointment for a 12-month position available immediately at the University of Oklahoma Health Sciences (OUHSC) in Oklahoma City, Oklahoma.

RESPONSIBILITIES:

1. Directorship and coordination of the sonography educational laboratory for OKC and Tulsa campuses under the direction of the program director. These duties may include:
 - a. Developing and maintaining appropriate laboratory proficiencies and practicums, laboratory evaluations, and assessment schedules that comply with program standards
 - b. Establishing rapport and interdisciplinary interactions with other OU Health Colleges to facilitate collaboration in the interprofessional sonography laboratory
 - c. Using the sonography equipment to teach sonography students and interdisciplinary students across the Campus
2. Teach some courses within the department and program as assigned
3. Participate in the accreditation process
4. Participate in the tri-mission (scholarly activity, service and teaching) of the University of Oklahoma as deemed appropriate with your role as faculty member
5. Participate in program, department, and college functions and committees
6. Performs other duties as defined by Program Director and/or Department Chair

REQUIRED QUALIFICATIONS:

- ARDMS, ASRT and/or CCI Certification in Abdomen, OB/GYN, Vascular, and Adult Cardiac, or in 3 and willing to obtain fourth certification within 1 year of hire
- Minimum 2 years clinical experience in sonography
- Experience instructing students in a sonography program (clinic or classroom)
- Bachelor's Degree from an accredited University and willing to obtain a master's degree within 3 years of hire

PREFERRED QUALIFICATIONS:

- Earned master's or PhD degree
- Additional ARDMS/CCI/ASRT certifications
- Experience instructing in a JRC-Accredited sonography program
- Strong organizational skills and verbal and non-verbal communication skills
- Exhibits leadership in interdisciplinary interactions

UNIVERSITY AND PROGRAM INFORMATION:

This is an exciting time to work in these healthcare professions! Within our professions, we work with the most advanced and sophisticated equipment, using critical judgment to produce diagnostic images and ensure safe and effective therapeutic interventions. Our Department values its place within the University of Oklahoma Health Sciences Center where our students and faculty participate in interprofessional activities in preparation of the current healthcare environment. Students and graduates work with a variety of physicians including radiologists, radiation oncologists, cardiologists, urologists, emergency medicine physicians, obstetricians/ gynecologists, and family practice physicians.

Opportunities for interprofessional collaboration, research, and teaching are numerous on campus and at the nearby universities and hospitals in the region's major metropolitan areas. The University of Oklahoma's main campus is located in nearby Norman, OK. To learn more about the OUHS and the College of Allied Health, please visit our websites at <http://www.ouhsc.edu> and at <https://alliedhealth.ouhsc.edu/>

Oklahoma City (OKC) is a beautiful, friendly, and vibrant metropolitan community with a metro area population surpassing 1 million. To learn more about OKC and its surrounding communities, visit the Greater OKC Chamber of Commerce website at <https://www.okcchamber.com>
