

Ian Graham, PhD, FCAHS, FYNAM

2016 Research Day Keynote Speaker

Dr. Ian Graham is a Professor in the School of Epidemiology, Public Health and Preventive Medicine & the School of Nursing at the University of Ottawa, Adjunct Professor in the School of Nursing at Queen's University and Senior Scientist in the Clinical Epidemiology Program of the Ottawa Hospital Research Institute. From 2006-2012 he was on an interchange with the Canadian Institutes of Health Research where he held the position of Vice-President of the Knowledge Translation and Public Outreach. He obtained his PhD in Medical Sociology from McGill University, Montreal.

Ian's research focuses on knowledge translation (the process of research use) and conducting applied research on strategies to increase implementation of evidence-informed practice (including practice guidelines) and policy. He is co-originator of the Ottawa Model of Research Use; the Practice Guideline Evaluation and Adaptation Cycle; the Knowledge to Action framework; and a founding member of the international ADAPTE collaboration. He has published over 275 peer reviewed articles and is co-editor of *Turning Knowledge into Action: Practical Guidance on How to Do Integrated Knowledge Translation Research* (2014), *Knowledge Translation in Health Care* (2013, 2nd edition) and *Evaluating the Impact of Implementing Evidence-based Practice* (2010) and co-author of *CAN-IMPLEMENT©: Planning for Best-Practice Implementation* (2014). Ian was twice been awarded a Queen Elizabeth II Jubilee Medal.
