

APHASIA SUPPORT AND COMMUNICATION GROUP

Aphasia is an impairment that can affect your ability to speak, understand what is said, and your ability to read or write. It can occur from a stroke, head trauma, brain tumors, or infections.

This support group is for persons who have aphasia and supporters. It is a great place for information, motivation, and socialization. We meet twice each month:

- First Friday of each month at NOON, in-person at the OU Health Interprofessional Education Building located at 1600 N. Phillips Ave. The online option is available with below link.
- Third Thursday at 6 pm online. You can join by clicking [HERE](#)

CONTACT

For more information or assistance logging into a meeting, please contact Dr. Jennifer Tetnowski at: 405-271-4214, ext. 46078
Jennifer-Tetnowski@ouhsc.edu

DIRECTIONS

From N. Lincoln Boulevard, turn East onto NE 16th St., then turn Right onto N. Lindsay Ave. Turn Left onto NE 15th St. and the IPE Building is on your Left. Parking available next to the building.
