College of Allied Health Required Syllabus Statements

Religious Holidays

It is the policy of the University to excuse student absences that result from religious observances unless such an accommodation would cause undue hardship to the educational and/or university process. In accordance with the procedures stipulated by each college to accommodate varying clinical and educational differences, students must make requests for accommodation of religious holidays in writing within the first week of the term in which the course/clinical experience is offered. Approved accommodations will be provided without penalty for rescheduling of examinations and/ or required clinical, lab, or class work that may fall on religious holidays. (Senior Vice President and Provost Approval, 11-9-2011)

Electronic Media

Students shall not post or forward photos, comments, or other forms of course related material of OU faculty, students, clinical personnel, or patients to web-based social media sites such as, but not limited to, Facebook, My Space, Twitter, or blog sites, without the person's written permission or the patient's written authorization. Students should be especially careful to avoid discussing any information protected by the Health Insurance Portability and Accountability Act (HIPAA). Any student found to have posted, supplied, or forwarded copyright or protected materials for postings on web-based communication sites without written permission or authorization shall be subject to disciplinary action and/or state or federal action.
