

WE'RE HIRING

FACULTY POSITION - OKC CAMPUS

REQUIRED QUALIFICATIONS

- Physical therapist (P.T.) or occupational therapist (O.T.) with an earned academic doctoral degree with a research focus that prepares the candidate for independent research and mentoring.
- Individuals who are not P.T. or O.T., but with a degree that strongly complements rehabilitation sciences (such as public health, other health care degrees, bioengineering, etc.), and have evidence of related teaching, practice or research experience, may be considered
- Established research program with current/recent funding that aligns with department, college and university research priorities and strategic plans

PREFERRED QUALIFICATIONS

- Experience with teaching in graduate programs
- Evidence of successful mentoring of Ph.D. students, M.S. students and/or post-doctoral scholars
- Experience with course and curriculum design

JOB DESCRIPTION

Research/Scholarship:

- Maintain an organized, viable and fundable research agenda using internal and external collaborations and resources
- Procure internal and external grant funding to support individual and/or team-based research projects
- Maintain a consistent record of research dissemination activities to include publications and presentations through local, national and international opportunities
- Mentor professional and post-professional students in research activities

Teaching:

- Primary teaching responsibilities within post-professional and graduate programs (Doctor of Science, Ph.D.)
- Participate in the curriculum design, delivery, and accreditation processes for post-professional and graduate programs
- Advise and mentor students in post-professional and graduate programs
- Support and promote a diverse, equitable, inclusive, collaborative and positive learning environment for students

RESPONSIBILITIES

Supports the strategic plans of the Department of Rehabilitation Sciences, the College of Allied Health and OU Health Sciences Center through mentoring, teaching, research/scholarship and service activities.

TITLE AND RANK :

TENURE-ELIGIBLE, FULL PROFESSOR OR PROMOTION-ELIGIBLE, 12-MONTH APPOINTMENT

The Department of Rehabilitation Sciences is seeking a dynamic individual to contribute to its research mission. Our Department houses four academic programs, including two professional programs, D.P.T., O.T.D., and two post-professional programs (Doctor of Science and Ph.D.). It is unique in that we provide both outstanding professional curricula and interprofessional courses co-developed and taught by P.T./O.T. faculty while also pursuing to advance our professions through scholarly scientific inquiry. The Senior Researcher (see full position description and requirements in link below) will advance the Department's research mission via their own line(s) of research as well as mentoring others in research and grantsmanship. The University of Oklahoma Health Science Center is home to seven health professional colleges offering a diverse community for students in the colleges of Allied Health, Dentistry, Medicine, Pharmacy, Nursing, and Public Health, as well as the Graduate College. Research collaborations are available through our National Cancer Institute-designated OU Health Stephenson Cancer Center, OU Health Harold Hamm Diabetes Center, Oklahoma Center for Geroscience and HealthyBrain Aging, and the Oklahoma Clinical and Translational Science Institute.

The University of Oklahoma is an equal-opportunity institution. Individuals with disabilities and protected veterans are encouraged to apply. www.ou.edu/eoo
